## A: General rules applicable to all inter-club competitions

- 1 The management of all inter-club Competitions shall be in the hands of the Committee of the Association who may delegate their powers to a Sub-Committee, or in the case of League Competitions, to the *Honorary League Secretary of the Association* (hereinafter called 'the League and Cup Secretary'). The Committee may alter any of the Regulations for Inter-Club Competitions from time to time as they shall think proper.
- 2 The Competition shall be open to all affiliated Clubs. The Secretary shall send entry forms for the various competitions to the Secretaries of all affiliated Clubs at least seven days prior to the date by which the entries for the Competitions, together with the necessary entry fees, must be returned to the Secretary.
- 3 A player shall be qualified to represent an affiliated Club if he or she is a bona-fide member of such Club. No player shall be entitled to play in these Competitions for more than one affiliated Club during the same year without the special permission of the Committee, but a player shall not be disqualified from playing for a Club in a League Competition on the ground of having already played for another Club in a Cup Competition in that year or vice versa.
- 4 Entrance fees for the Competitions shall be fixed by the Committee, except for the Scottish Cup where the fees shall be fixed by Tennis Scotland.
- 5 The Club on whose ground each match is played shall provide, at its own expense, at least three new tennis balls per court. In all league matches and the Gillespie Cup, balls of the make selected by the Committee shall be used. For 2018/19 seasons this is Dunlop. If any match is played on neutral ground the cost of the balls used shall be divided between the competing Clubs.
- 6 All Cup and League games must be played on the exact dates and at the locations fixed by the Committee unless previously played by mutual agreement of the Clubs concerned. No postponements will be allowed except on account of weather or unplayable conditions of the courts. In the event of any Club failing to fulfil its obligation to play a match on the date fixed by the

## A: General rules applicable to all inter-club competitions

Committee, without being able to furnish a reasonable and just explanation, the offending Club shall be adjudged to have forfeited the match. In the case of a league match, the points shall also be forfeited. Unfavourable weather and unplayable condition of the courts shall be accepted as satisfactory reasons for non-fulfilment and postponement provided always that the contesting Clubs shall satisfy the Committee that every effort has been made by both Clubs to have the match played. In case of doubt the Secretary of the Home Team shall at the earliest possible moment communicate with the opponents as to conditions and likelihood of play. Nevertheless visiting teams must be prepared to travel if there appears to be even a reasonable chance of weather conditions permitting play to proceed.

- 7 All matches must commence not later than the time stated in the handbook unless otherwise decided by the Committee.
- 8 In any match, any couple which does not appear on the ground complete and ready to play within 15 minutes of the time fixed for the start of play, shall

be deemed to have scratched from the first round. If the delay is one hour, they shall be deemed to have scratched from the second round and if the delay amounts to two hours they will be deemed to have scratched from the whole match.

- 9 No matches shall be played during the Annual Tournament organised by Tennis Central Scotland.
- 10 A time limit for the termination of each match shall be fixed by the captains and entered on the official Score Sheet before play commences. Unless the captains agree that play shall cease earlier, owing to rain or other unavoidable circumstance which have arisen subsequent to the time when the time limit was originally fixed, play shall cease in each rubber at the conclusion of the game in progress when the fixed time limit has been reached. The captains may mutually agree to extend this time limit. Failure by the respective captains to fix such a time limit or to enter the same on the official Score Sheet, may result in the disqualification of both participating teams in the event of any protest, appeal or dispute arising out of any match.

## A: General rules applicable to all inter-club competitions

- 11 Each competing team shall be arranged in order of playing strength. The names shall be entered on official Score Sheets before the match begins. Unless the ground where the match is played has only two Courts suitable for match play, three courts must be available and used. When there are only two Courts, any two ties of the first round can be played irrespective of the order specified, but *Regulation A8* will still apply despite the fact that only two courts are available.
- 12 A Club is not bound to play the same team throughout a Competition. However, no change shall be made in the composition of the teams engaged in a match after the start of play except as hereinafter provided and if a match is postponed, the composition of the team playing in the original match should not be changed. Where Clubs are unable by reason of illness, holidays or other causes, to turn out the same team, they may substitute a player or players in place of those absent, but no other re-arrangement of players or couples will be permissible.
- 13 Any Club intending to scratch shall notify this to the League and Cup Secretary and Captain of the opposing team as early as possible, but not later than two days previous to the match. Any Club failing to give this notification in time shall be reported to the Committee who shall have power to take such action as it may deem expedient.
- 14 The results of all matches should be recorded on the Official Score Sheets by the Home Club and signed by the Captains of both teams. The Captain of the **winning team** should enter the results on the website **www.lta.tournamentsoftware.com** (if the match is drawn the Home Captain should do this).
- 15 Play in all matches shall, so far as practicable, be continuous and intervals between rounds shall be cut to a minimum. No undue time shall be spent knocking up. For the purpose of saving time and ensuring a definite result being obtained in all matches, the Committee recommends that Home Clubs providing teas for the players should not do so until the end of the match.

## B: Regulations applicable to Summer League Competitions

- 1 The Clubs in each Division (if more than one Division is deemed advisable) shall be selected annually by the Committee. The Committee shall also decide the other details of the League Competition including promotion and regulation.
- 2 The winning and runner-up teams in each division will be promoted (apart from Division 2 to 1). The two teams at the foot of each Division will be relegated (apart from Division 1 to 2).
- 3 A Club can have no more than two teams in any one Division.
- 4 Any player having played four or more league matches for one team is not permitted to play subsequently, during that season, for a lower team from the same Club. If this occurs, the team would forfeit all rubbers played by the offending player. Where a Club has more than two teams, a player cannot play for a team ranked two or more teams below a team for whom they have already played that season eg a player who has previously played for a 1st team cannot then play for a 3rd team in the same competition that season. This rule does not affect a player's ability to move up and play for higher ranked teams, but it does affect the player's ability to subsequently play for lower ranked teams.
- 5 For Ladies and Mens League fixtures **1 point** shall be awarded to each club for fulfilling the fixture. To qualify for this point a Club must, as a minimum requirement, provide either three couples to play in the first 2 rubbers or two couples to play in all 3 rubbers. **However a team cannot provide only two couples if they have a lower team fielding three couples on the same date.** If this happens the lower team will forfeit their match and the points will be awarded to opposing team.
- 6 Each pair shall play one rubber against each pair of the opposing team.
- 7 The order of play and the order of courts shall be as shown below. The Home Club couples are referred to first in each round.

COURT	ROUND A	ROUND B	ROUND C
No 1	1 v 1	2 v 3	3 v 2
No 2	2 v 2	3 v 1	1 v 3
No 3	3 v 3	1 v 2	2 v 1

## B: Regulations applicable to Summer League Competitions

- 8 In Round A, each rubber shall consist of two tie-break sets. In Rounds B and C, each rubber shall consist of one tie-break set.
- 9 Each **set** will count as one, so the maximum a team can score is 12. The team that shall win the majority of the **sets** shall be declared the winner of the match. All rubbers must be completed unless one side has already won seven sets. Either Captain may concede sufficient games, sets and rubbers to give a decision. Completed sets and the games in such completed sets in unfinished rubbers and rounds shall also be counted but not the games in unfinished sets. In the event of the number of sets being equal (that is 6 – 6) the match will be declared a draw. Scoring system: **1 point** shall be awarded to each club for fulfilling the fixture, therefore the team winning the majority of sets will be awarded **3 points** and in a drawn fixture each team will get **2 points**. If teams finish the league equal on points then sets difference (or if this is equal, sets won) will determine positions.
- 10 If, by reason of special causes such as bad weather or unplayable courts, it be found impossible to play a match on the date fixed, or if, for similar reasons, any match is discontinued before either side has won a majority of rubbers, the home Club shall, on that date, give the opposing Club the choice of **four dates** within the subsequent **14 days**. One of these dates must be accepted within **48 hours**. Provided two rounds have been completed, the dates fixed for the third round can be on different dates to suit the convenience of the couples concerned. In addition, notification of such a date for a postponed, replayed or continued match must be sent immediately by the Home Club to the League Secretary.
- 11 All Mens and Ladies Summer Doubles League matches must be completed by **31 August**.

**Clubs are reminded that they have a duty to maintain their courts in a state which is fit for safe play when used for inter-club competitions.**

**The captains of the home teams concerned must call the opposing team to confirm time and place.**

# Tie-break Rules

## Singles:

- a) A player who first wins seven points shall win the game and the set provided he leads by a margin of two points. If the score reaches six points all the game shall be extended until this margin has been achieved. Numerical scoring shall be used throughout the tie-break game.
- b) The player whose turn it is to serve shall be the server for the first point. His opponent shall be the server for the second and third points and thereafter each player shall serve alternatively for two consecutive points until the winner of the game and set has been decided.
- c) From the first point, each service shall be delivered alternately from the right and left courts, beginning from the right court.
- d) Players shall change ends after every six points and at the conclusion of the tie-break game.
- e) The tie-break game shall count as one game for the ball change, except, if the balls are due to be changed at the beginning of the tie-break, the change shall be delayed until the second game of the next set.

## Doubles:

- f) In doubles the procedure for singles shall apply.
- g) The player whose turn it is to serve shall be the server for the first point. Thereafter each player shall serve in rotation for two points, in the same order as previously in that set, until the winners of the game and set have been decided.

## ROTATION OF SERVICE

The Player (or pair in the case of doubles) who started first in the tie-break game shall receive service in the first game of the following set.

## Championship Tie-break:

The rules are the same as the normal tie-break except that the winner is the first to reach ten points with a margin of two. If the score reaches ten points all, the game shall be extended until this margin has been achieved.

## C: Regulations applicable to Gillespie Cup

- 1 The draw shall be made by the Committee. The first Club in the draw in each tie will be required to provide the ground for the tie.
- 2 Two mixed couples will play the best of three sets against each opposing couple. The tie-break system will operate at six games all in all sets. The winning team must obtain a majority of rubbers. In the event of a draw one championship tie-break (see page 26) will be played. Each Captain must choose one couple who have not yet played together to play this decider. In the case of the **Gillespie Cup**, postponed or uncompleted matches must be completed within seven days of the original date or ten days in the case of a second postponement.

Score sheets for all ties should be sent to:  
Peter Kelly, 17 Highfields, Dunblane FK15 9EQ  
**immediately after every match.**

## D: Regulations applicable to Singles League Competition

- 1 The teams for the singles leagues will be organised as follows:
  - i) Teams will consist of three players.
  - ii) Captains will nominate their team in order of playing strength, being determined initially by order of LTA rating. Players without an LTA rating will be put in playing order by the team captain.
- 2 Matches will consist of three rubbers, **1 v 1**, **2 v 2**, **3 v 3**. Rubbers will normally be played simultaneously, but if this is not possible then they should be played in descending order, ie **1 v 1** takes precedence.
- 3 Each rubber will consist of two sets with a tie-break at six games all. If the score is level at one set all then a championship tie-break will be played to decide the result (see page 26).
- 4 Scores for the leagues will be as follows:
  - i) One point will be awarded for completing a fixture with a full team.
  - ii) One point will be awarded for each rubber won, so that totals from play can be 3 – 0, 2 – 1, 1 – 2 and 0 – 3. To these scores the completion point from above is added to both teams' rubbers total to give the final match result (provided a full team has been fielded). If a team fails to fulfil a rubber, that rubber will automatically be awarded to the team not responsible for the failure.
- 5 All rubbers should be completed in every match. Either captain can concede a rubber if circumstances require it, by conceding games, sets or rubbers.
- 6 The league result will be decided by addition of points for and against from the match results from each fixture. In the event of a tie, the total games for and against will be used, with a championship tie-break counting as one game. If the outcome is still tied, the result of the league match between the tied teams will be used to break the tie.
- 7 Any player having played **two or more** league matches for one team is not permitted to play subsequently, during that season, for a lower team from the same Club. If this occurs, the team would forfeit all rubbers played by the offending player.  
See page 19, Regulation B6 for the rule applicable to the rearrangement of matches.

## F: Regulations applicable to Junior League Competitions

1 Matches must be played on the exact dates fixed by the Committee and must commence at the times stated unless previously agreed by both clubs. If a Home Club chooses an alternative date or time they must do so for all home matches. The Secretary of any Club that adopts such a change must notify the Secretary of all Clubs in the Junior League and the League and Cup Secretary at least one week before commencement of leagues each year.

If, by reason of special causes such as bad weather, unplayable courts, it is found impossible to play a match on the date fixed aforesaid or if for similar reasons a match is discontinued before either side has won a majority of rubbers, the Home Club shall, on that date, give the opposing Club a choice of **two** dates within the next **14 days**, one of which must be accepted within **48 hours**.

- 2 The home team will supply tennis balls. Match balls that have been used once will be acceptable.
- 3 The results of all matches should be recorded on the Official Score Sheets by the Home Club and signed by the Captains of both teams. The Captain

of the **winning team** should enter the results on the website **www.lta.tournamentsoftware.com** (if match drawn the Home Captain should do this).

Score Sheets should show the scheduled date in addition to the date played if altered. In the event of conceded matches, both clubs should notify the Secretary immediately. All Score Sheets must be returned after each match. Scoring system: **1 point** shall be awarded to each club for fulfilling the fixture, therefore the team winning the majority of rubbers will be awarded **3 points** and in a drawn fixture each team will get **2 points**. If teams finish the league equal on points then firstly rubbers difference and, if that is equal, rubbers won will determine positions. Score sheets should include each player's British Tennis Membership number and current rating, if applicable.

- 4 Clubs must ensure that at least one responsible adult is in attendance at all Home Matches.
- 5 Each team shall consist of four players. These players should be ranked in order of LTA rating (if they have one).

## F: Regulations applicable to Junior League Competitions

- 6 The first round shall consist of four singles matches each of two short sets to four, (first to four games with a margin of two) a tie-break (first to 7 points with a margin of 2) should be played at four games all. If a match is tied at one set each a championship tie-break (first to 10 points with a margin of 2) should be played to decide the winner. The order of play is as follows: **1 v 1, 2 v 2, 3 v 3, 4 v 4**. The second round shall consist of two doubles matches each of one tie-break set of duration as follows: **1 and 2 v 1 and 2, 3 and 4 v 3 and 4**. Sudden death deuce should be played in all matches ie only one point to be played at deuce – the receivers choosing side.
